Gabriella Melange 50

De luxe opaque tights, melange elasticized with LYCRA, sheer to waist. Warm, opaque tights are perfect for the outfits on cool days and blend well with thick fabrics. Melange means (from French) a mix of colors and this is the best choice for women who are looking for a

fashionable addition to their outfits. Thanks to the use of elastic lycra fibers these tights are very nice on the legs and emphasizes the female figure. Unreinforced panty ensures the highest wearing comfort and even better freedom of movement. 50 den.

Material : 85% polyamid, 15% elastane.

Gabriella Mery

Mery tights from the City collection are a super fashionable, somewhat swarthy proposal imitating stockings.

A simple form with a decorative finish creates the perfect set with everyday stylizations as well as for big outings.

Transparent material along the entire length of the tights in the middle of the thigh was broken by a wide belt, creating a unique pattern resembling a garter belt with buckles.

The use of double-braided Lycra fiber thanks to the delicate, compact structure makes the tights very soft and velvety to the touch, at the same time making them more durable and more resistant to puffs.

No separate panty part, invisible reinforcement on the fingers and a cotton gusset with flat seam guarantee convenience and comfort.

Material : 85% polyamid, 15% elastane.

Oroblu Viktoria

The Oroblu Viktoria is a wonderfully warm tights with soft cotton on the inside and Merino wool on the outside. Natural luxury, comfort and warmth for the legs. Without polyamide or other synthetic fibers.

The Oroblu Viktoria tights combine the best qualities of wool and cotton. The inside is made of skin-friendly and breathable cotton (23%), which feels wonderfully soft on the skin. The outside of this comfortable tights is made of luxury Merino wool (75%), which is renowned for its perfect heat-regulating properties. Merino wool is many times finer than "normal" wool and is therefore even warmer, softer and lighter. The added lycra (2%) ensures the elasticity, so that the tights fit nicely around the leg and move smoothly. The result is a wonderfully warm and comfortable tights that never feel suffocating. An exclusive tights that you will certainly enjoy for a long time.

Material : 75% wool, 23% cotton, 2% elastane.

Oroblu Stockings Lycia 15

Sheer tights in 15 denier, with reinforced edge to be worn with suspenders. The leg is invisible and opaque in appearance. The thigh band is elastic, comfortable and silicone-free inside. The bare tip completes the look. The fingers, in fact, are veiled but visible. A care that makes the Lycia 15 sock perfect for pointy shoes. Eliminates friction and lets you see the toes. Elegance and seduction are the figures of an accessory that, with a retro taste, speaks of modernity. Suitable for those looking for a valid alternative to tights and do not like to feel the hips area too dressed. Naked toe. Fixed.
